Hey @d_s_thakur Martin is a whistleblower just like you. I think he got frustrated by how long the court system was taking.

Maybe you can help him - offer some advice or connect him to people who might be able to help you.

I can't say that. I can say there were things that happened that I did not like. They did a fantastic job, don't get me wrong. But, something was said that I just couldn't let go, and decided this was the route I needed to take.
